BUDAPEST PARK – SUPPLEMENTARY HOUSE RULES FOR PREMIUM AREAS

Budapest Park – hereinafter referred to as the "Park"

Holder of a Premium Area Ticket – hereinafter referred to as the "Visitor"

All Visitors enter and attend the Park at their own risk. By entering the Park, the Visitor accepts the Park's General House Rules: https://www.budapestpark.hu/en/pages/policy

By entering a Premium Area, the Visitor also accepts these Supplementary House Rules.

The following are considered Premium Areas:

- bp lounge
- Samsung Skybox
- Yellow Skybox

The Park reserves the right to modify the programme. Concerts and other events will generally be held even in adverse weather conditions.

The times indicated on tickets and on the website are for information purposes only. The start times and duration of concerts and any subsequent events may differ from those originally advertised.

I. ENTRY TO THE PARK

The wristband issued upon ticket redemption grants access exclusively to the designated Premium Area. Access to other Premium Areas is not permitted. The wristband also provides access to the terrace belonging to the Premium Area, the Main Floor (Küzdőtér), the Jungle area and the Retro area.

The closing time of the Premium Area may vary depending on the programme and weather conditions. Visitors still present in the Premium Area will be informed of the exact closing time by our staff 20 minutes in advance. The closing time is final and must be observed. Following the closure of the Park, it is not permitted to remain in the Premium Area.

The Visitor acknowledges that the closing time of the Premium Area is determined jointly by the Park's operational management and the security service. Visitors are required to leave the area upon request by the security staff.

With a valid Premium Area ticket, Visitors may attend the afterparties held in the Retro Garden, the Jungle area and the Main Dance Floor free of charge following the concert.

Tickets may be redeemed once on the day of the event.

Tickets are exchanged for wristbands on site. The wristband allows multiple entries until the close of the event day.

Only Visitors wearing a valid wristband for the respective Premium Area may remain within that area, subject to its maximum capacity.

Once applied, wristbands are non-transferable. Damaged wristbands are invalid and do not grant access to the Park.

The following base and maximum capacities apply to each Premium Area:

- bp lounge: 15 guests (maximum expandable capacity: 20 guests)
- Samsung Skybox: 15 guests (maximum expandable capacity: 20 guests)
- Yellow Skybox: 20 guests (maximum expandable capacity: 25 guests)

Any Visitors exceeding the base capacity must purchase an additional ticket. Entry is only available up to the maximum permitted capacity, regardless of whether all Visitors are physically present in the Premium Area or have left it.

By purchasing a Premium Area ticket and entering the venue, the Visitor agrees to comply with generally accepted standards of behaviour, all applicable laws, the General Terms and Conditions, and both the General and Supplementary House Rules.

II. RULES OF CONDUCT

Visitors must conduct themselves in accordance with generally accepted standards of behaviour, all applicable laws, the General Terms and Conditions, and both the General and Supplementary House Rules.

The Park reserves the right to remove any person whose behaviour endangers the life or physical safety of others, the property of others, the Park's facilities, or the natural environment. In particular:

- Visitors must behave respectfully towards Park staff and fellow Visitors.
- It is strictly prohibited to engage in any activity on the terrace of a Premium Area that could endanger Visitors on the levels below, including but not limited to throwing glass bottles or cups, pouring or spilling drinks or other liquids, or dropping cigarette ash.
- Visitors are responsible for taking proper care of the furniture and equipment of the Premium Area and must leave the area in the same condition in which it was received.
- Indoor furniture may not be taken outdoors.

- Drinks served in glass containers may only be consumed inside the enclosed, air-conditioned area. Glass containers may not be taken onto the terrace.
- A breach of these Supplementary House Rules in the above cases shall result in immediate removal from the Park and shall give rise to liability for damages and/or reimbursement of costs.

III. OTHER PROVISIONS

Should the Visitor wish to order additional food and/or beverages beyond the standard catering package of the Premium Area, the order must be finalised at least two working days before the event via the designated online platform, following consultation with the Park's assigned contact person.
